Fried, Michelle

To: john horton
Subject: RE: FW: Travel Reservation February 01 for HORTON

Good Morning

The only way I can send this itinerary is by fax - can you give me a fax number?

Once you confirm the itinerary, I will confirm the hotel per night in San Juan.

You will need a hotel in San Juan on your outbound Saturday, February 1st. You will arrive in Dominica on Sunday, February 2nd at 2:46pm and will be met by a university driver. (The drive from the airport to the campus is about an hour and 20 minutes.

You will also need to overnight in San Juan on your return home the night of Wednesday, February 5th.

All hotels in San Juan (right by the airport) take American money and all major credit cards.

Meals, transportation (from your home to the airport and return) will all be reimbursed to you upon your return. Submit all receipts to my attention and you will immediately be reimbursed.

All expenses you incur will be reimbursed.

If you want to call me at our toll free number 1-866-227-7478 extension 2623 before 2pm today EST time, I will go over your itinerary with you and if you reconfirm your mailing address I will send an electronic ticket to your home.

Thanks.

Feb. 1 is fine. I can't open the itinerary. Can you copy, paste and e-mail me the itinerary?

Regarding the hotel:

- a. how much is that going to cost?
- b. how many nights will I be there?
- c. are meals included in what you are covering (room service, hotel restaurant, non-hotel restaurant)?
- d. does the hotel take American money?
- e. does the hotel take a Visa debit card?
- f. are you providing ground transportation in Dominica or am I supposed to walk to the medical school?

Thank you.

Plaintiff,

v.

Ross University School of Medicine

Defendants.

**PLAINTIFF'S RESPONSES TO
DEFENDANT'S INITIAL INTERROGATORIES**

1. I, John D. Horton, alone have provided information or otherwise assisted in answering these interrogatories.
2. John D. Horton is solely responsible for answering these interrogatories.
3. John D. Horton, PO BOX 7, JOBSTOWN NJ 08041-0007. Each of the defendants listed in the complaint. I do not know their home addresses but that information should be available to defense counsel as he is apparently representing all named defendants. I don't know what business affiliation means.
4. Each of the individuals listed above will in substance state the facts as recited in the complaint.
5. None.
6. Yes, I obtained a statement¹ from Renton Technical College, Renton WA, in which they indicate that I was schedule for an interview in 2003 and that I cancelled the interview.
7. As outlined in the complaint, Dr. Rios contacted me by email in late January 2003 to schedule a telephone interview. In your Rule 26 disclosure statement, Dr. Rios' email should have appeared after my resume at page 22 but your client evidently has not provided this email to you. Dr. Rios and I had the interview via

the telephone in late January of 2003, at which time he formally invited me to Dominica for an in-person interview and I accepted his offer. I made all travel arrangements via email with the University staff as this is the most efficient means of communicating travel information. The day before I was to travel Ms. Fried advised me via email that the travel budget of the University was depleted and that I would have to be rescheduled for a latter date. I sent an email inquiry to Dr. Rios and he confirmed that Ms. Fried's story was correct. These emails are likewise missing from your Rule 34 disclosure.

I never received any follow up responses to my email inquiries regarding the interview from February through July of 2003. There appeared to be some kind of blackout against the defendants communicating with me. In August of 2003 I visited the University's office in Edison NJ to inquire about my candidacy. Instead of providing me a strait forward explanation of what was going on the reception staff and human resources decided to continue to give me the run-around.

8. Yes.

9. I will allege and Dr. Rios will confirm that he offered me via telephone an in-person interview to Dominica and that I accepted his offer. I will allege and Dr. Rios and Ms. Fried will confirm that the story that the trip to Dominica had been cancelled due to budgetary constrains was a lie on their part.

13. The request for damages is set forth in the complaint.

15. No.

Hi:

Thank you for all your help. I appreciate the time and effort Mr. Palo and you have devoted to my question.

As I recall, your school via your Human Resources staff offered me an interview and I declined the interview (due to a conflict in my schedule). Please advise if this is correct?

If possible, could you send me a copy of the vacancy announcement as an email attachment. If the starting salary is not listed, can you provide that separately.

Thank you again.

Sincerely,

John D. Horton

LIBRARY SERVICE PHILOSOPHY

'We are not afraid to entrust the American people with unpleasant facts, foreign ideas, alien philosophies, and competitive values. For a nation that is afraid to let its people judge the truth and falsehood in an open market is a nation that is afraid of its people.'
-- John F. Kennedy
